2012 Health Care Package

Hoof & Paw Veterinary Service, Inc. would like to provide the best possible care for your horse. We, therefore, offer you a discounted plan which has been developed carefully to address all your horses' routine health requirements along with any unexpected injuries that may occur. If you are already on our plan and receive this letter, it is time for you to renew.

Also any *new* horse to the plan that requires a vaccine series for any vaccination they have *never* had before will be charged for the 2nd and 3rd booster vaccine and will receive a 10% discount on the boosters. The package price only includes the vaccines listed below which are *annual* booster vaccines. So keep in mind any horse on the plan for the *first* time may incur additional charges in addition to the package price.

As in the past all dewormer will be delivered at the time of sign up or shortly thereafter. Should you have any questions, please feel free to call the office. We look forward to providing even better service and healthcare for your horse. Here is to a healthy and prosperous year.

The new health care plan will include the following services:

- A: Annual booster vaccinations:** Eastern/Western Encephalitiis/Tetanus , Rabies, West Nile, Botulism, Strangles Intranasal (if needed)
- B: Biannual booster vaccinations:** Potomac Fever (spring & fall), Rhinonuemonitis (spring & fall) Flu Intranasal (spring & fall)
- C: Coggins Test**
- D: Routine dental exam and floating (*DOES NOT include sedation*)**
- E: Fecal Exam**
- F: Physical exam and nutritional review**
- G: No farm call charge for the 4 routine health care visits**
- H: 10% discount off all services throughout the year (medications & supplements are not included)**
- I: Annual Deworming: Strongid C2X or Paste wormer**
- J: Ivermectin dose twice annually for horses on the Strongid C**
- K: Sheath Cleaning**

We now offer Plan 3, which is designed for clients who wish to do fecal analysis through out the year. The plan will include 2 fecal exams a year along with everything listed above. No dewormer is provided.

Remember that you will also get a 10% discount on any other services (inventory not included) provided throughout the year, which can also add up to a substantial savings. Should you have any questions about our plan, please feel free to give our office a call at 540 338-5888.

Sincerely,
Denise Corder
Manager
